NAVIGATE COMPLIANCE

COMPLIANCE RE-IMAGINED

CERTIFIED DIGITAL PRACTITIONER

GOVERNANCE, RISK, AND COMPLIANCE

Your Learning
Adventure Begins!

Welcome to the Certified Digital Practitioner: Governance, Risk, and Compliance (CDP: GRC)

Are you ready to take the first step towards a rewarding and impactful career in the field of GRC — a profession grounded in integrity, resilience, and forward-thinking leadership? This programme is purposefully designed to equip you with the practical capabilities and critical thinking skills needed to navigate complex regulatory environments, address emerging risks, and support ethical governance in a digital world.

Your Learning Journey Map

Stage 1: Induction & Portal Power-Up

In this session, we'll:

- Welcome you to the programme
- Show you how to navigate the student portal
- Explain how your modules, assessments, and practical tasks work

All your course content, tools, and progress tracking will be available on the portal.

Stage 2: Build Your Personal Brand

Before you catch criminals, let the world know who you are!

- Create your LinkedIn profile
- Learn to position yourself as an emerging compliance professional
- Tips on personal branding, content creation & growing your network

This is a compulsory session — your digital presence is part of your success

Core Modules:
Learning + Doing = Mastery

Each module includes:

1 **Gamified eLearning**

2 **Hands-on practicals**

3 **Quizzes and case studies**

4 **Live lectures (on-site and/ or online)**

"

Our goal is to help you find your true calling in the cybersecurity field. We are dedicated to help you!
Sholane Sathu

Core Modules:
Learning + Doing = Mastery

Module 1: Corporate Governance

- Lead with integrity, decide with confidence.
- Discover the principles, frameworks, and best practices that ensure organisations are steered ethically, transparently, and in the best interests of stakeholders.

Module 2: Risk Management

- Turn uncertainty into opportunity.
- Learn how to identify, assess, and manage risks that could impact organisational success — and how to transform challenges into strategic advantages.

Core Modules:
Learning + Doing = Mastery

Module 3: Compliance Management

- Stay ahead of the rules, not behind them.
- Master the policies, processes, and controls that keep organisations compliant with laws, regulations, and industry standards while building a culture of accountability.

Module 4: Integrated Governance, Risk and Compliance (GRC)

- One vision. One strategy. Total alignment.
- Explore how governance, risk, and compliance work together to create a unified, proactive approach that drives organisational resilience and sustainable growth.

Assessment
= Participation + Practice + Performance

Your final score is made up of:

30%

Online Quizzes

50%

Practical Exercises & Tasks

20%

LinkedIn Profile & Portfolio Page

Format & Support

Our intuitive eLearning platform has been tailored to foster learning in a fun and exciting manner. Each piece of content has been curated and customized to aid you on your learning journey.

Here's what you can look forto on our platform:

- ✓ **Hybrid learning:** Online portal + On-site sessions (where available)

- ✓ **Live lectures,** interactive Q&As, and facilitator guidance

- ✓ **Gamified quizzes** and simulations

- ✓ **Community of learners** via WhatsApp & portal discussions

Are You Ready to Unlock the GRC Universe?

This isn't just about ticking boxes — it's about launching a future-proof career in compliance. Each module builds your confidence, expands your skills, and boosts your digital footprint.

Let's go catch some criminals — one transaction at a time.
